

NO SHOW/CANCELLATION IN LESS THAN 24 HOURS

It is the policy of Up & Movin' Pediatric Therapy, PC to charge \$50 cash or money order if a client fails to show to his/her appointment or cancels his/her appointment in less than 24 hours notice.

Our clients are very important to us and we reserve the time and plan for each visit carefully. Failure to show to your appointment is a considerable inconvenience for our therapists, and limits their available to help other children.

It is also our policy, that if your child is absent for three appointments without more than 24 hour notice, your child's therapy services will be terminated.

We value your patronage and hope that you will consider the importance of each scheduled visit.

If you comply with this policy, please sign below and indicate your child's name.
